Art Unit: 3634

1. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is the claim recitation setting forth the partition structure as comprising at least three partition walls shaped and sized to extend substantially radially outwardly from the central support, the partition walls being constructed to define at least three of the compartments, each partition wall includes a lower frame element and a pliable web of material extending therefrom for shielding one of the compartments from the others, the web extending from the central support to a radially outer end of the partition wall, all of which is not disclosed nor fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
